Creative video editor with extensive experience in all facets of commercial, web, and branded content creation as well as long-form television and independent film. Solid history of delivering premium, engaging videos on time by working collaboratively in team-based and individualized environments within agencies, production companies, and on a freelance basis for clients. Equipped with in-depth knowledge of film direction, cinematography, and creative writing.

Proactive, highly organized, and collaborative individual, known for leading and completing multi-level projects in close collaboration with cross-functional teams and diverse client base.

Professional Experience

Huge Inc | Sr. Video Editor

2015-2023

Edited captivating commercials, web/social content, case studies, and sizzles for top-tier brands by partnering with creative directors, producers, and motion designers. Ensured on-time project delivery by leading production group as Senior Editor in a dynamic agency environment.

Fostered long-term partnerships to grow client base by contributing to an impressive portfolio of clients, including Google, Zelle, Goldman Sachs, Barclays, Kohl's, Anheuser-Busch and Amazon.

Edited Clio Award-winning TV commercial for Eargo by employing a distinctive comedic approach, effectively differentiating them from competitors and leaving a lasting impact on viewers.
